**\*\*Sports Acro** prerequisite of an independent back bend from standing, hand stand and cart wheel.

**\*\*Sports Acro** will hold 11 classes. There will **NOT** be class on: Sept. 12, Oct. 24 and Nov. 7

**\*\*\*Pointé/Pre-Pointé** is not a 'stand alone' class. This must be taken with a ballet class appropriate for age and ability.

Classes are designed with a curriculum to develop the dancer to grow in ability and have fun while still giving them a challenge.

Age suggestions are a guideline for class placement and proceed as follow: Beginning: grades 1-2, Intermediate grades: 3-6, Advanced: grades 7-12

Classes progress as they do in the public school system. Advancement to the next level occurs in the Fall Semester.

We ask that students be 3 years old by July 1, 2025 for the Creative Movement class. Additionally, Pre-Dance students must be 4 AND in Pre-School.

Parents are required to join our communication app, *Band* upon registering. An invite will be sent to the email provided at registration.

*Our production of "The Nutcracker" this semester will require some additional rehearsal time. We will do our very best to have as much practice during class time as we can. However, as we begin to bring scenes together, additional rehearsals will be necessary.*

*"The Nutcracker" is a large production that is much more than a normal recital. Friday or Saturday rehearsals will be necessary.*

It must be understood, that by registering, you are also agreeing to attend these rehearsals as we get them scheduled and posted.

These will be posted as soon as possible
